

MARIM RISK MANAGEMENT SEMINAR

VENUE:	Hotel Istana Kuala Lumpur City Centre 73, Jalan Raja Chulan, 50200 Kuala Lumpur.	DATE:	18 February 2020
		TIME:	8.30 a.m. – 12:30 p.m.

OVERVIEW

With the rising number of people infected by the Wuhan Coronavirus, Businesses need to be on alert to react to any changes that may be a threat to your business and workforce. The previous pandemic outbreaks such as SARS, H1N1, H1N5 and MERS, have taught us a valuable lesson and we were more prepared to face pandemic outbreaks. What are the possible business strategies that you can implement to ensure the safety of your workforce and the survival of your business? Henry will share on what we should think about when developing a flu pandemic plan focusing on people contingency and be always prepared for unpredictable Pandemic situations.

At this seminar, The Risk Management Team of The Year 2019 Award Winners, PLUS Malaysia Berhad and Indah Water Konsortium Berhad will also be sharing their thoughts and experiences in successfully implementing risk management in their organization.

OBJECTIVES
A. To understand the key considerations when developing recovery strategies in ERM and BCM.
B. To learn the best practice approach of ERM and BCM
C. To gain new exposure on the best risk management practices in other industry.
D. To create a platform for members to exchange ideas and sharing of experience.
