EUGENE PHUAH

Eugene Phuah is the Lead of Technology and Digital Business for Thriving Talents Sdn. Bhd. He is in charge of all things technological, from backend infrastructure to cutting-edge technology for instructional interventions. He possesses an exceptional understanding of logical approaches and problem-solving abilities, having earned a bachelor's degree in Computer Science from Australia's University of Wollongong. He has experience with C++, Java, Python, PHP, and NodeJS.

In his role in Thriving Talents Sdn. Bhd., Eugene oversees the 'Innovation & Implementation' of various A.I.-led technology platforms, in order to enhance the learning experience of leaders & employees in companies. Under Eugene's leadership, he has led the company to explore & implement learning solutions with A.I.-driven chatbots, Machine Learning, A.I.-Aggregators, Mobile Learning Platforms, & Metaverse Work Spaces & Teambuilding simulations

Eugene's contributions had led Thriving Talents to win various awards, with the most recent 2 awards – The CXP Best Customer Service Award (For Business Consulting Companies) in 2022 and the Malaysia's Role Model Enterprise of the Year (MRME) 2022.

Together with Thriving Talents. Eugene has served major clients in introducing A.I.-led trainings for them, including AXIATA, CelcomDigi, HSBC, Sime Darby Oils, CIMB, Maybank & more.
