About the Speakers

Azmarin Johari
Head of ERM
Maxis Bhd

Azmarin Johari built his career through hands-on engineering and improving customer experience with Telekom Malaysia. He then joined Axiata Group Berhad and worked with multiple subsidiaries (Celcom and PT XL Axiata Tbk), transforming the practices of business assurance, risk management, and governance to achieve global standards. He also led multiple roles involving strategic initiatives, project management, culture, system implementation, organization restructuring and digital transformation. He is currently with Maxis Berhad, leading Enterprise Risk Management, Data Privacy Management, and Insurance Management across its subsidiaries. He is a certified risk management practitioner and a certified data privacy manager.

He graduated from University College London in Electrical and Electronic Engineering, did his Master in Communication Management at Coventry University and currently a candidate of MBA for Working Professionals at Asia School of Business in collaboration with MIT Sloan. He is an active learner who likes sharing transformation journeys and knowledge from his experiences at international conferences. He enjoys fitness, gardening, photography, and coffee!

About the Speakers

Sunil Rodrigues
Underwriting Manager - Casualty & Financial Lines
HDI Global SE

Sunil is a Lead Underwriter and Casualty Portfolio Manager at HDI Global SE Singapore and he has over 25 years of experience in General Insurance.

He has worked with insurance companies and brokers in India and Middle East before wearing his current hat. Sunil has regional responsibility for underwriting direct market insurance and facultative reinsurance for large and complex risks, including Energy, Power, Construction, Life Science, Commercial property and manufacturing. He has been responsible to develop business opportunities through partners and manages corporate and multinational accounts. Sunil holds a MBA degree from Nanyang Technology University and is a Fellow of Insurance Institute of India.

Terence Tang
Underwriting Manager - Engineering
HDI Global SE

Terence is the Underwriter Manager of Engineering Department of HDI Global SE Singapore and he has over 25 years of experience in regional engineering insurance underwriting and claims. He has worked with international insurance companies focusing on large complex construction projects and renewable energy.

About the Speakers

Edmund Binsted
Senior Underwriter - Energy & Power
HDI Global SE

Edmund is the Senior Underwriter for Energy and Power in the HDI Singapore branch. Possessing over 15 years of underwriting experience in the Energy and Power sector, he has had the opportunity to work first-hand on some of the largest projects and with some of the largest clients across the North American, Middle Eastern and ASEAN regions.

Prior to working in Singapore he was a Lloyd's of London underwriter working within some of the largest syndicates in the market. He is well versed in the full energy value chain having started his career in Upstream Energy before transferring to a more Downstream Energy and Conventional Power focused role.

Dennis Lee
Chief Risk & Compliance Advisor
Spera Group

Dennis Lee, with 37 years of expertise in Enterprise Risk Management (ERM), Compliance, Business Continuity Management (BCM), and Group Insurance (GI), has held prominent roles such as Chief Risk Officer and Group Head/Vice President in diverse sectors like Listed Company, Financial Institutions, E-Commerce Logistics, Education and Physical Securities.

Currently, he serves as Chief Risk and Compliance Advisor at Spera Group and conducts ERM training workshops and speaks at regional conferences. He also chairs the ESG Risk Committee of RIMAS (Risk & Insurance Management of Singapore) and is an expert member on ERM (ISO31000) with the MSSC, Spring Singapore.

Mr. Lee holds a BBA (Hons) from the National University of Singapore and an MBA from the University of Leicester, with also training and risk certifications including ACTA and CRMA.

About the Speakers

Roy Sharma

Managing Director/Principal Officer
Asia Reinsurance Brokers (Labuan) Ltd

G Roy S Sharma is the Principal Officer and Managing Director of an international reinsurance company based in Kuala Lumpur. Other than as country manager for Malaysia, he is also responsible for developing and assisting clients in Asia in certain specialized areas of insurance, such as Political, Project & Credit Risk Insurance, Professional Indemnity, Management Liability Insurance, Financial Lines Insurance, Casualty Insurance, Extended Warranty Insurance and Affinity & Niche Solutions.

Roy read law in the City of London and was called to the Malaysian Bar as an Advocate & Solicitor. He started his career in the insurance industry in 1994 as an Insurance Broker and joined Antah Sedgwick Chartered Insurance Brokers. Thereafter, he joined Aon Risk Services Malaysia and Aon Risk Services Singapore. In 2006, Roy joined Arthur J Gallagher Asia (L) Bhd, a reinsurance broker (known as Asia Reinsurance Brokers (Labuan) Ltd in 2008) where he served as the MD since 2007.

He is also a sought-after speaker in his area of specialization. He has presented various papers in many conferences and conducted many trainings and seminars for insurance companies and insurance buyers around the region.

Roy is also the President Commissioner of PT ARB Indonesia and a Board member of ARB's parent company. He is the former Chairman of the Labuan International Insurance Association.

About the Speakers

Henry Ee
Managing Director
BCP Asia

Henry Ee is the founder and Managing Director of Business Continuity Planning Asia (BCP Asia).

With more than 25 years of Business Continuity, IT-Disaster Recovery and Crisis Management experience, Henry has undertaken over 300 BCM projects spanning across Asia Pacific that leads to or ready for ISO22301 Certification including Singapore, Malaysia, Brunei, Indonesia, Philippines, Sri Lanka, Hong Kong, Macau, Saudi Arabia, Australia, China and Thailand. His BCM consultancy services were provided to a wide span of industries including, but not limited to, Healthcare, Banking & Finance, Supply-Chain, Logistics, Manufacturing, Telecommunication, Information Technology, Transportation, Electronics, Educational and the Public Sector.

The first Asian to be elected to the Board of BCI (UK), Henry was later awarded with the Lifetime Achievement Award by BCI in October 2010. He also contributed to the development of standards as member of the Standards Committee for SS540:2008 Singapore BCM Standard and is a member of the working committee for BS25999 development, SS507 Singapore IT-DR standard, ISO22301, BC standard development for ASIS (US), and China BCM standard. Most recently, Henry served as the Technical Expert for Business Continuity/Resilience on the International Organization for Standardization (ISO) on the ISO22301:2019 review.

Henry graduated from University of Essex (UK), with a Bachelor of Engineering with First Class Honours in Electronics Systems Engineering and he is also fluent in English, Mandarin and Cantonese and can conduct trainings and workshops in any of the 3 languages.

About the Speakers

Abie Pua
Principal Officer
Howden PCC (L) Bhd.

Abie currently holds the Practice Leader role, spearheading the Risk Consulting Division of Howden Malaysia as well as the Principal Officer of Howden PCC (L) Bhd.

She has over 17 years of working experience with 12 years of consulting in Enterprise Risk Management, Business Continuity Management and Captives.

She has a Master's Degree in Risk Management, making her an ardent supporter of pragmatic RM / Captive ideas and solutions. She is most intrigued by challenging projects which seemed to bring out the best in her; and this has helped in honing her skills in the consulting landscape.

Abie enjoys travelling during her leisure time and loves exploring off-the-beaten path places. She is a self-proclaimed SHOPAHOLIC; whether going brick-and-mortar places or online.
