

ABOUT MALAYSIAN ASSOCIATION OF RISK AND INSURANCE MANAGEMENT

MARIM is a non-profit association dedicated to promoting and raising the awareness and standards of risk management in Malaysia. Members of MARIM comprise a variety of organisations, from multinational corporations and public utility organisations to the small and medium sized industries.

ABOUT THIS RECOGNITION OF EXCELLENCE

MARIM Risk Management Award was introduced in 2009 and MARIM has consistently organised this prestigious award every year.

This award intends to recognise the individuals and organisations/institutions that demonstrates effective planning, communication and collaboration in implementing risk management initiatives and has gone the extra mile with measurable results in effectively implementing risk management strategies for the achievement of its objectives and/or creating added value to the organisation.

Honouring individuals and organisations that go beyond managing risks, turning them into opportunities by embracing innovation, security and sustainable strategies to navigate uncertainties and build stronger, more adaptable organisations for the future.

Further, this is to also give due recognition to the individuals and organisations/institutions in its pursuit of excellence in a challenging and constantly evolving environment. The award winners will be known and recognised as the top benchmark for the risk management profession in Malaysia.
